

Lieferbedingung

The screenshot shows the 'FINN.phot' web interface. On the left is a sidebar with navigation items: 'SelectLine', 'Merkmale / Varianten', 'FINN.mail2sl', 'GetMyInvoices', 'FINN.webshop | B2B', 'Shopware6', and 'Einstellungen'. The main content area is titled 'Lieferbedingung' and contains a table with two columns: 'Shopware' and 'SelectLine'. The table has three rows: 'Express' with 'frei Haus', and 'Standard' with 'UPS'. Above the table, there is a 'Rechnung' section with the value 'sofort rein netto (10)' and two red checkmark icons.

| Shopware | SelectLine |
|----------|------------|
| Express | frei Haus |
| Standard | UPS |

Hier kann man die Lieferbedingung, wie sie im Shopware-Shop konfiguriert sind, mit der entsprechenden Lieferbedingung aus der SelectLine verknüpfen.
