

Galerie

The screenshot shows the 'Galerie' management interface. At the top, there is a navigation menu with items: Monitor, Katalog, News, Termine, Dokumente, Galerie (active), Adressen, Admin, and Shop. The user is logged in as 'Webmaster'. The main content area has a dark blue background with a starry pattern and the 'CAPTAIN FINN' logo. Below the logo, the title 'Galerie' is displayed. There are three input fields for filtering: 'Hauptkategorie' (set to 'Alle'), 'Unterkategorie' (set to 'Alle'), and 'Stichwort'. A '+ Neu' button is located to the right of the 'Hauptkategorie' field. Below the filter section is a table with the following data:
