

Katalog

The screenshot shows a web application interface for managing a catalog. The top navigation bar includes links for Monitor, Katalog (active), News, Termine, Dokumente, Galerie, Adressen, Admin, and Shop. The user is logged in as Webmaster. The main content area has a dark background with a starry pattern and the Captain Finn logo. The title 'Katalog' is displayed. Below the title is a form with two dropdown menus for 'Hauptkategorie' and 'Unterkategorie', both set to '-- Alle --'. There is a search field for 'Stichwort' and a '+ Neu' button. Below the form is a table with one entry:
