

# News

The screenshot shows a web application interface for managing news. The top navigation bar includes links for Monitor, Katalog, News (active), Termine, Dokumente, Galerie, Adressen, Admin, and Shop. The user is logged in as Webmaster. The main content area has a dark blue background with a starry pattern and the Captain Finn logo. Below the logo, the word 'News' is displayed. There are three input fields: 'Hauptkategorie' (dropdown menu), 'Unterkategorie' (dropdown menu), and 'Stichwort' (text input). A green '+ Neu' button is located to the right of the category dropdowns. Below these fields is a table with the following data:

Name	Letzte Aktion	Sichtbar
 Ach du dicke Gurkel Redakteur: Webmaster 2022-07-26 - 2025-12-31	2022-07-26 14:54:45	<input checked="" type="checkbox"/>
